Intelli Solutions – New International Recognition in the «Top 10 Digital Technology Providers»

Athens, September 2020. Intelli Solutions was rated by ITO (Industry Tech Outlook - <https://www.industry-techoutlook.com>) among the top 10 Digital Technology providers, mainly based on idbox™ - Digital Customer OnBoarding.

The ITO Editorial Board, in collaboration with a distinguished selection committee consisting of industry analysts, conducted a detailed evaluation of digital solution providers and approved the outstanding ones. The evaluation was done with a series of criteria regarding the

ability of companies to offer integrated solutions and services, utilizing new technologies that help the transition of modern businesses to digital transformation.

Regarding this honorary distinction, Mr. Panagiotis Gialelis, CEO of the Intelli group stated *«This new honorary distinction is a moral reward for the efforts of our people and confirms that our idbox™ product offers significant value to large organizations at the international level. All of us at Intelli, we remain fully committed to our strategic objective for innovation and continuous improvement of our products and solutions thus providing significant business value to our customers».*
